You require a Unix or Linux license for each Unix or Linux based server or workstation you wish to scan.	£10

## Virtualization Hosts

You require a virtualization host license for each host in all scanned Citrix XenApp Farms, Citrix XenDesktop Sites, Hyper-V Servers, and VMware Systems.

£50

## Windows Servers

You require a Windows Server license for each machine running a Windows server operating system you wish to scan.

£15

This license permits the scanning of the following server roles:

- Domain Controller
- Failover Cluster
- Internet Information Server (IIS)
- Microsoft DHCP Server
- Microsoft DNS Server
- NLB Cluster
- Remote Desktop Session Host
- WINS Server

## Windows Workstations

You require a Windows workstation license for each machine running a Windows desktop operating system that you wish to scan.

£5

## Unlimited License \*

The Unlimited license is designed for customers who require centralized server reporting that can be accessed by multiple users, but without needing to purchase individual licenses.

Please contact [sales@centrel-solutions.com](mailto:sales@centrel-solutions.com) for more information.

## Technician License \*

The technician license is designed for individual IT technicians who wish to [install XIA Configuration Server](#) on a single machine and perform on-site audits of environments.

Single Technician License (per year)	
Allows a single named technician to scan an unlimited number of items for the period of one year.	£3,000

A discounted rate license is available for small businesses, please contact [sales@centrel-solutions.com](mailto:sales@centrel-solutions.com) for more information.

## Hosted Cloud Services \*

Hosted cloud services are ideal for a small business as they require less setup and management, we host the server and database and you simply [install](#) the [XIA Configuration Client](#) to perform the scan.

The cloud services prices are 50% as that of the on-premises version of the software but all prices are however charged annually.

\* All prices listed in this document are in £ sterling (GBP) and are exclusive of VAT. For a quotation in your own currency please email [sales@centrel-solutions.com](mailto:sales@centrel-solutions.com) or visit our [quotation request page](#).

Usage of the product is subject to the [End User License Agreement \(EULA\)](#).
